Caregivers

We all have a vested interest in achieving a positive outcome for you. We will place a Certified Home Health Aide or Companion in your home who has been hand-picked according to our own stringent guidelines.

Our Care Givers have chosen a helping profession because they are truly kind, caring individuals with a commitment to client satisfaction. The deep, personal bond that grows between a client and their Care Giver is truly special; here at Caring Solutions Home Care we nurture that relationship. Every Caring Solutions employee is screened, bonded and insured through a vigorous hiring process where the importance of professionalism and reliability is stressed.

"If they aren't right for us, they won't be right for you."

Each Caring Solutions Home Care employee must pass the following screening/testing protocols:

- State criminal history clearance
- State driver's license clearance
- Verification of at least 2 references
- Proof of certification from an approved certifying agency/school
- Personal ethics screening
- TB/health screening
- Proof of current CPR certification
- Drug screen

In addition, each employee must successfully complete training in specific care giver categories including:

- Fall and injury prevention
- Care of the Alzheimer patient
- Communicating with the hearing impaired/Aphasic patient
- Infection control
- Fire safety
- Elder abuse
- Cultural competence

Caring Solutions Home Care, LLC attracts and retains top people in the field because we strive to be the "Employer of Choice" by offering competitive pay rates, bonuses and incentives and on-going education opportunities.
