

# DO YOU KNOW SOMEONE WHO IS 100 YEARS OLD?

The Colorado Commission on Aging is proud to sponsor the upcoming Centenarian Celebration for all Colorado seniors who will turn 100 years or older in 2017. The Centenarian Celebration project is an annual event of the Colorado Commission on Aging to celebrate the lives of Centenarians across the state, recognize their individual century of achievement, and focus the attention of all Coloradans on the political and social issues of aging. The Project recognizes seniors who have achieved the age of 100 or older by awarding Centenarian Certificates, prepared by the Commission, and signed by the Governor.
