

COLORADO

Department of Health Care
Policy & Financing

No Wrong Door Regional Forum

Join the Colorado Department of Health Care Policy & Financing for a public meeting in order to gather feedback on the No Wrong Door implementation plan.

Through a grant from the federal Administration for Community Living, the State of Colorado is redesigning how an individual may access long-term care.

After soliciting feedback from a wide range of stakeholders, the State has drafted a plan outlining how the new system will be implemented.

This is your opportunity to share your thoughts on the implementation plan and to discuss what does and does not work in accessing long-term care.
