

Wow! Page 1 Search Engine Ranking Under “Senior Resources” And Many Other Geospecific Search Terms

www.SeniorsResourceGuide.com web ranking has climbed dramatically in 2008.

We now have page 1 search engine placements under the topics: Senior Housing, Senior News, Senior Resources and Senior Services. This is amazing.

Why are we telling you this now...

We are pleased to announce that SeniorsResourceGuide.com will be moving forward in 2009 with a comprehensive plan to further increase our local web traffic and work on other website enhancements and programs.

As the economy tightens local advertising must be focused and measurable, so here it is:

\$500/year: Preferred Placement in listings

- 50-word Commercial placed above general listings with your Logo
- Email link
- Website link
- Special Offer

\$1000/year: Business Profile (AKA Hosted Website)

- Includes program mentioned above
- Personalized email Contact Form
- Photos, logo and extended content on your products and services
- Local home page photo placement for Housing Communities and Logo on Local Home Page for other types of companies

We also have new pricing for our National advertising programs.

Many of you have gotten to know us personally through local senior coalition meetings, national sales campaigns and other networking opportunities. We will be continuing to provide the same service that we have provided you for the past 10 years since our initial work began with www.SeniorsResourceGuide.com. For existing clients, nothing will change in your service during the term of your current advertising contract.

On page 2 are examples of our current search engine ranking, and we hope you are as excited, impressed and elated as we are. To push our new growth along we are offering complimentary article placement for contracts signed on or before by July 31, 2009. Please call 303-794-0799 if you have any questions and to secure your excellent search ranking.

Thank you again for your continued support and we look forward to amazing growth in 2009,

Karin and Michael Hall
